What Your Network is Saying

Yoko Fujimoto published

Do you know about "The Slut"?

I mean, "eggslut"? If you don't, you will enjoy

my column on Senken-Shimbun (major Japanese fashion business newspaper) website at <http://www.senken.co.jp/report/downtown-la-eggslut/> At this time, I had time to translate the column into English from Japanese in my blog, so please take a look at <http://yokofujimoto.blogspot.com/P.S.> Photos are in the column (in Japanese), but photos are not in my blog (in English).
